

WILDERNESS SURVIVAL TRAINING

With Shidoshi Dick Severance

*How to survive in the wild and be prepared for any type of emergency.
Shidoshi Severance teaches a wide range of skills and technologies necessary for surviving intelligently.
You will learn extremely practical skills to feed, clothe and protect yourself.
Making fire, obtaining shelter, finding water, fashioning tools, and hunting with primitive weapons.
Prepare your family and your home for any natural or unnatural disaster.
Identifying and harvesting edible and medicinal plants readily available underfoot.*
